Subject: Notification of Change in the Specification Sheet of HydroSal® SalCool, 8278-04

To Whom It May Concern,

We, at Salvona LLC d/b/a Advanced Beauty Labs, are notifying you of an update to the specifications sheet for our product HydroSal® SalCool, 8278-04. The following updates have been implemented to ensure our documentation remains current and technically accurate:

- **Format Update:** The specification sheet format has been updated to improve clarity and remove redundancy of data provided.
- **Change of Shelf Life:** We have changed the shelf life from “18 months” to “24 months”. This adjustment ensures that our technical documentation remains concise and maintains perfect alignment with the Certificate of Analysis (COA).
- **Addition of Microbial Testing:** Due to our commitment to the highest standards of product safety and documentation transparency, we have integrated the Microbial Testing on the COA into our Specification Sheet.

These changes have been made to ensure a more up-to-date and accurate representation of the specifications of our product. Please note that this is a documentation update to reflect the current formulation accurately. The performance, regulatory and safety profile of the product remain unchanged.

Should you require any additional documentation or have further questions, please feel free to contact us directly.

Sincerely,

Shai Shefer
CEO
