Subject: Global Inventory Listing Statement on HydroSal® SalCool, 8278-06

To Whom It May Concern,

We, at Salvona LLC d/b/a Advanced Beauty Labs, hereby certify that, to the best of our knowledge and based on information provided by our raw material suppliers, HydroSal® SalCool, 8278-06 complies with all applicable global chemical inventory requirements as follows (see Annex 1):

The formulation ingredients are fully compliant with chemical control regulations in the EU, USA, Canada, China, Australia, and Japan. As part of our commitment to global regulatory compliance, we maintain ongoing communication with our raw material suppliers to ensure all necessary inventory listings and notifications are up to date.

Should you require any additional documentation or have further questions regarding specific inventory listings, please contact:
