Subject: Oral Care Use Suitability Statement for HydroSal® SalCool, 8278-06

To Whom It May Concern,

We, at Salvona LLC d/b/a Advanced Beauty Labs, hereby certify that to the best of our knowledge and based on information provided by our raw material suppliers, the formulation HydroSal® SalCool, 8278-06 is composed of ingredients generally recognized as safe and fully compliant with FDA regulations for personal and oral care applications.

This product is formulated with a plant-derived Propanediol base and utilizes Phenethyl Alcohol as a mild preservative, ensuring a gentle profile suitable for sensitive oral mucosa.

As part of our commitment to producing safe, high-quality, and compliant personal care products, we actively work with our suppliers to ensure transparency and avoid the inclusion of materials that may be of concern to consumers and regulatory bodies.

Should you require any additional documentation or have further questions, please feel free to contact us directly.

Sincerely,
