Subject: Halal Statement for 8894-04 SalSphere® Even Skin

To Whom It May Concern,

We, at Salvona LLC d/b/a Advanced Beauty Labs, affirms that the product 8894-04 SalSphere® Even Skin meets Halal requirements:

1. The product does not contain any ingredient of animal origin.
2. The product does not contain ethyl alcohol and ethyl alcohol has not been used in the manufacturing process.
3. The equipment used for manufacturing the product is not used for the manufacturing of products containing ingredients of animal origin.
4. This product is derived from materials of synthetic origin and none of these components are derived from bovine, ovine, caprine, porcine, or related ingredients of animal origin.

As part of our commitment to producing safe, high-quality, and compliant personal care products, we actively work with our suppliers to ensure transparency and avoid the inclusion of materials that may be of concern to consumers and regulatory bodies.

Should you require any additional documentation or have further questions, please feel free to contact us directly.

Sincerely,

Digitally Signed
