Please find the following to be true to the best of our knowledge:

GLOBAL IL:
Propylene Glycol, Salicylic Acid, Arginine, Polyglyceryl-4 Oleate, C14-20 Isoalkylamidopropylethyldimonium Ethosulfate (Isostearamidopropyl Ethyldimonium Ethosulfate), Butyrospermum Parkii (Shea) Butter, Ceramide AP

Alcohol Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without raw materials containing simple or drying alcohols.

Animal Testing Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without the use of materials or components thereof that have been subject to animal testing in accordance with Regulation EC 1223/2009.

Artificial Colorant Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without raw materials containing artificial colorants.

BSE/TSE Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without ingredients derived from BSE (Bovine Spongiform Encephalopathy) and TSE (Transmissible Spongiform Encephalopathy).

California Proposition 65 Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without intentionally added chemicals known to the State of California to cause cancer, birth defects, or other reproductive toxicity as listed under the California Proposition 65 State Drinking Water and Toxic Enforcement Act. Any trace background chemicals are non-intentional, technically unavoidable process impurities derived from the raw material feedstock matrix. These are fully detailed within the impurities statement, and finished product exposures are expected to fall well below the established safe harbor limits.

CITES Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, falls outside the scope of CITES regulations. All botanical raw materials are sourced from commonly cultivated agricultural crops and do not involve any species listed under the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES).

CMR Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without any substances classified as Carcinogenic, Mutagenic, or Toxic to Reproduction (CMR) of category CMR 1A, 1B, 2, under the Regulation(EC)1272/2008 (Classification, Labelling and Packaging).

All regulatory statements contained herein have been reviewed by Salvona and are based on vendor documentation provided to our team and a review by The Good Face Project to date. This information is accurate and reliable to the best of our capabilities but may be subject to change.

EU Allergens Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without any of the fragrance allergens listed in Annex III of Regulation (EC) No 1223/2009, as amended by Commission Regulation (EU) 2023/1545.

Food Allergens Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without intentionally added food allergens as defined by Regulation (EU) No 1169/2011 (Annex II) and the U.S. Food Allergen Labeling and Consumer Protection Act (FALCPA).

Formaldehyde/Formaldehyde Donors Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without raw materials containing formaldehyde or formaldehyde donors.

Gluten Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without gluten.

GMO Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without Genetically Modified Organisms (GMO).

GMP/ISO Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is manufactured, filled, and packed in full compliance with ISO 22716:2007 Cosmetics – Good Manufacturing Practices (GMP) guidelines.

Halal Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated to be compliant with halal standards.

Impurities Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, while not tested in each lot, may contain the following impurities which are technically unavoidable following the Good Manufacturing Practices.:

INCI	CAS No.	Approx. Concentration
Lead	7439-92-1	<0.7501 ppm
Arsenic	7440-38-2	<0.22502 ppm
Cadmium	7440-43-9	<0.00005 ppm
Mercury	7439-97-6	<0.00001 ppm

Kosher Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated to be compliant with kosher standards.

All regulatory statements contained herein have been reviewed by Salvona and are based on vendor documentation provided to our team and a review by The Good Face Project to date. This information is accurate and reliable to the best of our capabilities but may be subject to change.

Microplastic Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without intentionally added synthetic solid microplastic particles as defined under Regulation (EU) 2023/2055, which amends Annex XVII of Regulation (EC) No 1907/2006 (REACH).

Nanomaterial Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without nanomaterials as defined in Article 2(1)(k) of Regulation (EC) No 1223/2009 on cosmetic products.

Nagoya Protocol Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is not subject to Nagoya Protocol ABS obligations. All botanical raw materials are sourced as standard commercial commodities for formulation use, rather than for the research or utilization of genetic resources as defined by the Protocol.

Natural Materials Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, contains ~27.01% materials of natural origin (according to ISO 16128 calculation) including formulation water.

Origin Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated and manufactured in the United States of America using globally-sourced ingredients.

Paraben Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without raw materials containing parabens.

PFAS Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without raw materials containing per- and polyfluoroalkyl substances (PFAS), and no fluorinated organic chemicals are intentionally added or used during production.

Phthalate Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without raw materials containing phthalates.

Pesticides Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, is formulated without the use of pesticides.

REACH Statement:
Please be advised that SalSphere® Even Skin , PID: 8894-21, complies with EC Regulation No. 1907/2006 (REACH) and its latest adaptations. Furthermore, none of its ingredients are classified as SVHC (Substances of Very High Concern) or as PBT/vPvB (Persistent, Bioaccumulative and Toxic Substances) according to the latest updated list. All individual substances in the product are either fully registered under EU REACH for the intended uses or exempt from registration.
