SALVONA
Unique&Easy Micro-Encapsulation Solutions

MultiSal® Menthol

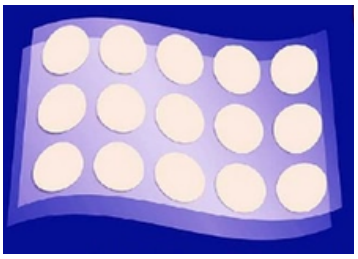

Triggered release, invigorating and refreshing sensation

Formulation Tips

Powder Make-up and Foundations

Light & breathable sensation even with full coverage after addition of MultiSal® Menthol

Overnight Blemish Patches

Combine MultiSal® Menthol and MultiSal® Salicylic Acid for maximum efficacy. Reduce blemish size and irritation overnight

Dry Shampoos

Absorb excess oil, impurities, and sweat with a cooling sensation. Instantly reduce irritation with MultiSal® Menthol, while adding volume and texture to refresh a hairstyle

Medicated Body Powder

Cooling sensation with a moisture-absorbing relief from itch and irritation with addition of MultiSal® Menthol

Toothpaste & Toothpaste Tablets

Easily added to toothpaste and pressed tablets for intense and long-lasting refreshing sensations. MultiSal® Menthol is considered generally safe for oral care products.

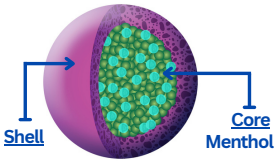

Medicated Lip Balm

Moisturizing for chapped, cracked, and dry lips. Combine with MultiSal® Menthol for a cooling and soothing lip treatment
